Interview: Prophetic Insights with Rachel Stokes

Introduction

Rachel Stokes is part of Hillview Community Church [Rowville, Victoria] where she is a valued and effective part of the leadership team. The Body of Christ at Hillview has been built and strengthened through her prophetic gift. Individuals who receive a prophetic word are deeply touched and assured that they are well known by Him and also blessed with confirmation of those things He has already shown them. Rachel's ministry is particularly significant and personal as she often speaks into the call and destiny of God upon people's lives, as well as speaking into their individual situations, circumstances and walk with the Lord. Rachel is a loving, gracious and accurate voice speaking prophetically and her desire is to see broken hearts made whole by the power of the Holy Spirit. She is passionate to see more people supernaturally encouraged and empowered through the prophetic.

Key points from the interview:

1. Allow God to grow and develop you in the passion for the prophetic. Ask of the Lord to remove anxiety and fear from you as you step out for Him. Remember it is not a performance but rather being faithful and obedient to bring forth what God showed you with a humble heart.
2. Be wise to speak forth what God showed you. Speak with integrity even if it was just a one word or short word. One does not need to make it bigger.
3. For those wishing to develop in the prophetic, it is advisable to be in submission to your respective church leadership and be accountable for how you minister. These are your safety perimeters as God continues to hone you for ministry.
4. One needs to prepare oneself through prayer and fasting as it is God's empowerment upon us. Having prayer support from people you do live with will be most helpful as we are seeking for God's anointing to minister to others.

Discussion Questions

These questions could be done personally or as part of a group discussion.

1. What small steps of development in the prophetic, is God reminding you of as you listened to the podcast today?
2. Who are you accountable to, ensuring that you have some safety perimeters to work with as you pursue your passion in the prophetic?
